

## ***PASS Implementation Training***

**July 19, 2016**

**8:30 a.m. - 3:30 p.m. (CST)**

**Green River Regional Educational Cooperative • 230 Technology Way • Bowling Green**

Green River Regional Education Cooperative is pleased to offer “PASS Implementation Training.” Teams committed to implementing PASS within their school/district for the 2016-2017 school year are encouraged to attend. Teams typically consist of: Building Administrator, PASS Coach, PASS Para-Educator, Guidance Counselor and General Education Teacher.

The Positive Approach to Student Success (PASS) program is founded on the belief that children with emotional and behavioral disabilities benefit behaviorally and academically from participation in the general curriculum. Program methodology focuses on teaching/coaching students to behave appropriately in general education or resource classrooms with the help of a teacher trained as a Behavior Coach.

Participants will:

- *Develop an action plan for school implementation*
- *Learn the phases of the PASS program*
- *Establish roles of PASS team members*
- *Review the role of the FBA, BIP and IEP in program planning for individual students*
- *Learn how to use systematic collection and analysis of data to guide educational decisions for students using a function-based approach.*
